

Statement of Purpose - Dr Sharma Diagnostics Ltd

Dr Rajendra Sharma offers in depth consultation on general health for the purpose of treating, disease, disorder and injury.

His objective is to provide a patient experience focusing on lifestyle, diet and exercise and the use of homeopathy, supplements and natural approaches to medicine where needed. He uses safe and medically supervised Functional Medicine protocols but is also mindful of the benefits and importance of conventional medical care.

Dr Sharma has an interest in conditions associated with ageing and long-standing health complaints.

His personal approach aims to offer understanding and respect for a patient's individual needs, views and wishes.

Consultations are geared towards ensuring a patient follows the best medical approach and this may involve assessment of nutritional status and diet.

Dr Sharma sees patients at Holmedale Health Clinic in Denmark Rd, Exeter. When in London, he will be seeing patients at The Hale Clinic in Harley Street.

Dr Sharma is the service provider and Manager for Dr Sharma Diagnostics Ltd and is certified with the Care Quality Commission under the Health and Social Care Act. He is a GMC registered medical practitioner (No. 2919995) and is insured with The Medical Protection Society. Dr Sharma is a Member of The Faculty of Homeopathy and a Member of the British Society for Ecological Medicine and The College of Medicine.
